

HOBART is among the LEADING EMPLOYERS in Germany 2020

Offenburg – The commercial warewashing equipment manufacturer HOBART is among the top 1 per cent of employers in Germany – evaluated across all markets, company sizes and corporate forms. This is the result of the current meta-study LEADING EMPLOYERS issued by the "Institute of Research & Data Aggregation GmbH". The Offenburg-based world market leader for commercial warewashing equipment convinces in particular in the evaluated categories of employee satisfaction and employee offers, health management, shared values, talent communication, and image.

"We are very proud to receive the 'Leading Employer' award. It confirms that our focus is on our employees. It is very important for us to offer all our staff optimum framework conditions for further development as one uniform team," says Manfred Kohler, Vice President Sales and Manufacturing of HOBART GmbH.

The meta-analysis LEADING EMPLOYERS has assessed 100,000 companies in Germany for their employer qualities. The assessment is based on extensive analysis of audits, employee statements, jury competitions, internal and external questionnaires, independent studies, memberships and the results of public questioning.

About HOBART:

Based in Offenburg, Germany, HOBART leads the world market in commercial warewashing technology. We serve customers such as hotels, restaurants and caterers, bakeries and butcheries as well as supermarkets, airlines, cruise ships, automotive suppliers, research centres and pharmaceutical companies across the world. HOBART develops, produces and sells warewashing and cleaning, cooking, food preparation and waste treatment appliances and systems. The company has a global workforce of 6,900 employees, approximately 1,100 of them in Germany. HOBART is a subsidiary of the US Illinois Tool Works (ITW) Group, which manufactures and sells a variety of products; the group has a staff of 50,000 employees in 800 autonomous companies in 56 countries.
