

Increased responsibility at HOBART for Great Britain and France

Offenburg, March 13, 2026 – With effect from 1 January 2026, Raphael Kirn has taken on additional responsibilities. As Director and Board Member of HOBART GmbH, alongside the responsibility he has borne to date for exports within the EMEA region, he will also account for sales of HOBART equipment in Great Britain and France.

Raphael Kirn has been employed by HOBART since 1 September 2012. After studying International Management, he held various positions working on projects and in sales. In 2018, he became manager of the Airline Catering division. On 1 July 2020, he was promoted to Business Unit Manager Export and has been key in developing this division ever since.

About HOBART:

For decades, HOBART has been one of the world's leading manufacturers of commercial warewashing equipment. We are also one of the best-known providers of solutions in the fields of cooking, food preparation and food waste technology. For over 125 years we have been developing and distributing high-quality appliances and systems at our production site in Offenburg that are in use worldwide. Our customers include hotels, restaurants and caterers, commercial kitchens, bakeries and butchers, supermarkets, industrial companies, airlines and cruise ships. Since 1999, we have been part of the US-based Illinois Tool Works (ITW) Group that manufactures and distributes a wide range of products through its 44 000 employees in independently operating companies worldwide.
